

Wood Polymer Composite Research & Training Centre Institute of Wood Science and Technology

(Indian Council of Forestry Research and Education, an Autonomous Body of Ministry of Environment, Forests and Climate Change, Government of India)

BENGALURU

Short Term Training

on

Wood Polymer Composites

Duration: 20– 22nd March, 2017

Venue: Institute of Wood Science and Technology,
18th Cross, Malleswaram, Bengaluru

Topics to be covered:

- Basics of wood, polymers and WPC; Manufacturing WPC; Physical and mechanical characterization of the composite; Additives for WPC; Degradation of WPC (moisture, biodegradation and weathering); Biodegradable composites; Current trends and market potential.
- hands-on-experience on compounding, injection moulding and mechanical testing of the composites.

Institute of Wood Science and Technology, 18th Cross, Malleswaram, Bengaluru
Phone : 080-22190100, 22190176, 22190179 Fax : 080-23340529 (iwst.icfre.gov.in)

Wood Polymer Composite Training

(20th-22nd March, 2017)

Registration form

Name:

Affiliation:

E-mail:

Phone No.:

Fee details:

(Please send by demand draft in favour of “The Director, Institute of Wood Science and Technology, Bangalore”, Payable at Bangalore; Fee can also be paid by RTGS to Account **392002010007384**, IFSC code: **UBIN0539201**, Bank: **Union Bank of India**, Branch: **Malleswaram, Bangalore**)

Training Fee: Rs. 10,000/-

Rs. 5000/- (for graduate and postgraduate students with valid ID card)

(Fee includes study material, working lunch and tea during the training)

Request for accommodation^{*} : (Yes/No)

(*For outstation trainee, the Institute may provide guest-house facilities on payment basis subject to availability)

Only 20 trainees per batch; Last date of registration – 15th March 2017. Please contact: Dr. Shakti Chauhan (Shakti@icfre.org) or Dr. Pankaj Aggarwal (Pankaj@icfre.org) for further detail.
