Advertisement for Engagement of a Subject Matter Specialist for the Project: “Wood Balance study for the State of Telangana” Funded by Telangana Forest Department at ICFRE-IWST, Bengaluru

Applications are invited from citizens of India, meeting the following conditions for engagement of a Subject Matter Specialist for a period of 3 months (which may be extendable) for a project entitled “Wood Balance study for the State of Telangana” starting from the date of engagement. The details of which are provided below.

Name of the Project Position: Consultant (Socio Economist)

Number of Positions: one

Remuneration: The applicant should quote the expected remuneration based on his/her expertise and the workload, which should be negotiable.

Maximum Age: 70 years

Qualifications:

Essential:

1. Postgraduate in Economics
2. 10-15 years professional experience in evaluation of various government schemes and programs with preference in evaluation of forestry related programmes/schemes by closely collaborating with state government departments such as forest department.

Desirable:

1. Ph.D. in Economics
2. Experience in similar consultancy or assignment on wood balance study related programmes, including policy recommendations and writing well-crafted report.
3. Published research papers in referred journals of repute.
4. The candidate should preferably be based in Bengaluru

Scope of work:

1. The prime goal of engaging is for seeking assistance to complement project team at ICFRE-IWST and supplement with resources and technical expertise. The consultant would integrate and compile the technical material, documents, and information received from different resource and finalizes the consultancy/technical report.

Other terms & conditions with particular reference to the type of assignment and emolument for the consultant, travelling, boarding & lodging charges during field visit, preparations & submission of report will be as follows:

1. The engagement shall be purely contractual & on time time-bound basis.
2. The engagement does not confer any right/claim whatsoever, either explicitly or implicitly, for any regular appointment in ICFRE or any of its Institutes against any post or otherwise under any legal condition or precedent.
3. The engagement can be discontinued at any time, if the work or conduct is not found satisfactory or up to the mark, by giving a fifteen days' notice.
4. Facilitating and assisting the project team which is working for Wood Balance study, on a regular basis for submission of the draft report within the stipulated time and the final Detailed Project Report within the time frame.
5. Preparing the draft of different chapters of the report as per the requirement.
6. The emolument to complete the assignment will be negotiated depending on expertise and workload. The assignment is to complete the work within a period of three months. However, it is extendable for maximum of two months.
7. The consultant would be entitled to avail travelling, boarding and lodging charges (As per the entitlement of Officer in pay level 13 of 7th CPC) with the prior approval of the Director, ICFRE-IWST Bengaluru.

Interested experts are requested to send their applications and their Curriculum Vitae/Resume to the **Director, ICFRE-Institute of Wood Science and Technology**, 18th Cross, Malleshwaram, Bengaluru 560003 by **20th June, 2025** (up to 05.00 PM), either by post or through email at **dir_iwst@icfre.org**
