Training of other Stakeholders”

ICFRE-IWST is Organizing Three days Training on

“UNDERSTANDING WOOD PANEL PRODUCTS”

Date : 8th – 10th December, 2025, Mode : Physical Mode

Dear Sir/Madam,

The Institute of Wood Science and Technology (IWST), Bengaluru, is organizing a three-day training programme on **“Understanding Wood Panel Products”** from **8th to 10th December 2025**. The training aims to sensitize and educate stakeholders including chartered accountants, lawyers, engineers, business professionals, bankers, academicians, NGOs, homemakers, social activists, students, and farmers.

The programme is sponsored by the Ministry of Environment, Forest and Climate Change (MoEF&CC) under the Umbrella Scheme: **Forestry Training and Capacity Building–Training of Other Stakeholders**.

Designed to combine theory with practice, the training will offer hands-on learning through pilot-scale demonstrations, laboratory sessions, and industry visit. Participants will acquire professional knowledge about various wood panel products—such as plywood, particleboard, fibreboard, blockboard, and flush doors—and the processing technologies that enable efficient utilization of wood resources.

Boarding & Lodging: Borne by IWST.

Who can attend: Various stakeholders including NGOs, students and teachers from educational institutions, nature clubs/eco clubs, Panchayats, elected representatives, banking personnel, social activists, press and media persons, etc.

Registration : The application/nomination letter should be sent to HoD, Extension, Institute of Wood Science and Technology, 18th Cross, Malleswaram, Bangalore-560 003 at least 15 days before the commencement of the respective course.

Maximum intake of **30 participants** on a *first-come, first-served* basis.
