

PRAKRITI

Awareness Program on Forestry and Wood Science at Institute of Wood Science and Technology, Bangalore

PRAKRITI Program is an agreement through a Memorandum of Understanding signed between Indian Council of Forestry Research and Education (ICFRE), Dehradun and Kendriya Vidyalaya Sangathan (KVS), Navodaya Vidyalaya (NVS) and Directorate of Education to promote awareness about forests and environment among school children for acquiring skills that reflect care and protection towards forests, environment and society.

In very simple terminology, the students were briefed about the activities of the institute and the work carried out in different divisions' especially nursery practices and cultivation methods, protection of trees and wood, wood seasoning, preservation, properties and uses, wood modification and wood polymer composites. A documentary on the same was also screened for the benefit of the students. The students were explained all about WOOD at the state of the art Wood Museum cum Interpretation Centre.

The institutions that visited Institute of Wood Science and Technology during the month of February 2020 are as follows.
